This Solicitation Amendment No. 003 has been raised to respond to the following 4 questions.

Question #1:

Must a bidder collaborate with a government partner to form a proposal team?

Answer #1:

Yes, one of the requirements in the CSSP CFP process is that all proposal teams have a government partner. Please refer to the Partnership Requirements in Table 1, Summary of CFP Project Type Funding Parameter, in Section 2.2 of the CSSP CFP Guidebook v1.1. This section illustrates the Full Proposal mandatory criteria (section 2.5.3.2.1) of the partnership requirements which includes a government partner as a mandatory for all project type proposal teams.

Questions #2:

Please tell me whether a USA based company can respond to this Call for Proposals. I do note the statement that "The bidder must supply Canadian goods and/or services" and we would be happy to comply with this by setting up a location in Canada and hiring local staff.

Answer #2:

All lead bidders must be representatives of a Canadian organization. The lead bidder may collaborate with an international partner to form a proposal team that is lead by the lead bidder. Please refer to the Proposal Submission and Lead Bidder sections in Table 1, Summary of CFP Project Type Funding Parameter, in Section 2.2 of the CSSP CFP Guidebook v1.1.

Question #3:

Regarding 2.5.2.2.1 Synopsis Mandatory Criteria: SM2 - All proposal submissions must be completed fully. Failure to populate the forms correctly or to submit the required information will result in the rejection of the proposal;

And regarding 2.5.1.3 Submission Tool: All unclassified submissions must be completed through the web-based submission system. Bidders are directed to <<http://cssp-cfp1.myreviewroom.com>> to initiate the submission process:

a) Will Canada please confirm that the "forms" referred to in RFP section 2.5.2.2.1 relate to 'electronic forms' that will be made available via the web-based submission system?

b) Will Canada please indicate when the URL to "<http://cssp-cfp1.myreviewroom.com>" will become fully operational?

Answer #3a):

Yes, this is correct.

Answer #3b):

That URL is incorrect. The CSSP CFP Bidder Guidebook v1.0 contains this URL in error. The CSSP CFP Bidder Guidebook v1.1, which was posted to MERX on Friday, September 7, corrects this error. Here is the correct URL: <http://cssp-cfp2012.myreviewroom.com>.

Question #4:

I just want to be sure that the link to the CSSP CFP Blank Submission Form Template on the web-based submission system's website is the template for the synopsis proposal? The template has the title "Full Proposal Submission Form" instead of "Synopsis Proposal Submission Form."

Answer #4:

Yes, that is the correct form. The title is an error that will be corrected soon.
