At page 9, Article 8.1, Industry Day Format:

Delete the first paragraph.

Insert the following:

A Public Industry Day information session will be held on November 26, 2013. The Public Industry Day information session will include presentation by DND, IC and PWGSC, following which there will be a public forum Q&A period. In addition, two (2) hours one-on-one meetings with interested participants will also begin on November 26, 2013. Depending upon responses, one-on-one meetings may be held on the following days. Respondents are also provided the opportunity for the one-on-one meeting to be held by teleconference. These time-limited meetings will provide an opportunity for Respondents to seek clarification on the PE2 requirements, including IRB's and Draft RFP, and to present relevant technical input for the upcoming PE2 Project. Respondents are asked to please refrain from using the Industry Day as a forum for marketing purposes.
