THIS AMENDMENT 002 IS RAISED TO ANSWER QUESTIONS FOR THE RFSO

QUESTIONS AND ANSWERS

QUESTION 002:

To qualify for a Stream could a bidder use two separate contracts performed by the same resource in order to meet the 20 named resources per stream?

For example if John Smith works through the bidder at ABC Department as a Computer Application Support Specialist in 2009 and later for XYZ Department as a Computer Application Support Specialist in 2011 could this be counted as two named resources against the required 20?

ANSWER 002:

Bidders may provide information from multiple contracts for which services were rendered and compensation received by the bidder. In order to demonstrate how to meet the mandatory requirements of the RFSO solicitation E60ZN-110002/F the bidder must provide a minimum of 20 different temporary help resource names that are compliant for each of the streams they wish to qualify for. As stated in Attachment 1 to Part 4, Mandatory Evaluation Criteria, M2A, M2B and M2C: "The Offeror may provide up to a maximum of 40 temporary help resource names but must provide a minimum of 20 different temporary help resource names that are compliant."

ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED.
