SOLICITATION AMENDMENT 006

This amendment is raised to:

1. Provide answers to Bidders questions in relation to this solicitation.

Question #9:

Amendment 002, Answer #6, states that the crown will not accept tasks signed off by a client if they are not in the original Statement of Work or Task Authorization call up.

Given this answer we have a follow-up question.

The Tasks listed within both categories are tasks related to the current supply arrangement within CIC and the only companies that will be able to meet the requirement of 9 tasks out of 11 will be the incumbent companies. We have pulled the TBIPS tasks for both the ERP Programmer Analyst and the Programmer Analyst category and have concluded that even the TBIPS SOWS do not meet your current Tasks.

Would the crown at least permit meeting the TBIPS bullets for the given categories (or 50% if similar) as required within TBIPS guidelines? The way it is currently written, this RFP favors the incumbent company and is excluding non-incumbent capable companies from submitting a response. It is also not ensuring that contracting is conducted in an open, fair and transparent way.

Answer #9:

Please refer to answer #8, solicitation amendment 004.

Question #10:

Amendment 001 indicates that there are incumbent companies performing a portion of the work. Please provide the Statement of Work and or Task Authorization for categories within the Supply Arrangement that the incumbents are providing resources.

Answer #10:

Bidders must meet the criteria defined in the current Request for Proposal (RFP) B8986-170041/A. As stated in the solicitation amendment 004, Attachment 4.1, #5 a copy of the Contract Statement of Work and/or Task Authorization Statement of work must be submitted with the bid to substantiate the *same or similar* tasks provided by the proposed category.

Solicitation No. – N° de l'invitation B8986-170041/A	Amd. No – N° de la modif. 006	Buyer ID – Id de l'acheteur 619ZM
Client Ref. No. – N° de réf. De client B8986-170041	File No. – N° du dossier 619ZM –B8986-170041	CCC No./ N° CCC – FMS No/ N° VME

Providing Bidders with copies of the Statement of Work and/or Task Authorization of the current incumbent's Contract is not part of the stated requirement for this solicitation.

Question #11:

The non-set aside B8986-170040/A has been extended until December 5th, 2016, is it possible to extend the aboriginal set-aside B8986-170041/A? Also with the many bids expected before Christmas and other supply arrangement renewals, could we please get a one week extension to December 8, 2016?

Answer #11:

Please refer to solicitation amendment 005.
