### **4.1.1 Financial Evaluation**

Based on firm unit rates offered multiplied by the approximate quantities listed in Annex « B » Basis of Payment. The sum of the totals for the firm year and each of the 2 option years of Part 1, Part 2 (Normal Transaction) and Part 3 will be added together to provide the total amount of financial evaluation.

The Offeror must provide prices for all items in Annex "B" Basis of Payment Part 1, Part 2 and Part 3. Failure to do so will render the bid non-responsive.

The prices offered for the services of the optional part in **Part 4** of Annex "B" will not be considered in the evaluation.
