

1000218997A – Amendment #5

Please be advised that the Department has been asked for clarification relative to Solicitation 1000218997A and we would like to submit the following information to all prospective bidders to assist in the formulation of bids:

1. The Solicitation Closing date is hereby extended to May 26, 2020 at 14:00 Pacific Standard Time (PST)
  
2. Remove 4.5.2 in its entirety and replace with the following:  

4.5.2 C/TEC has a Land Stewardship program that provides citizens of the Carcross and Tagish First Nation job training and skill building by working alongside contractors/consultants working on Carcross and Tagish First Nation Traditional Territories. The program also offers the stewards an opportunity to learn about the good faith efforts being made to remediate environmental issues and heal their land.
  
3. Remove 4.5.4 in its entirety and replace with the following:  

4.5.4. If C/TEC provides one or more land stewards for some or all of the work, the Consultant must orient the land steward to work required and find tasks suitable for skill and knowledge level of each individual that C/TEC has assigned as well as work with C/TEC to provide meaningful training opportunities for each individual.
