This amendment is raised to address the following:

- To respond to questions received during the solicitation period related to the Letter of Intent.

Questions and Answers

Q30. Regarding the Letter of Intent that is required as per mandatory criterion (M1- U.S. Science Instrument(s) Partnership) in Attachment 1 to Part 4 Mandatory and Point Rated Evaluation Criteria, is the CSA and/or NASA required to review the draft of the Letter of Intent between the Bidder and the U.S. science instrument(s) institution?

A30. It is required in the mandatory criterion, as described in Attachment 1 to Part 4 Mandatory and Point Rated Evaluation Criteria, that a signed Letter of Intent from the U.S. science instrument(s) institution must be provided as part of the bid as evidence of the proposed partnership between the U.S. science instrument(s) institution and the Canadian Bidder. No letter from the Canadian Bidder is requested to be sent to NASA nor CSA for review during the bid solicitation period.

ALL OTHER TERMS AND CONDITIONS REMAIN THE SAME
