

## **SEN RFP-025 21/22**

### **Consulting Services – Design and Development of an internship program for young Indigenous professionals**

#### **Question and Answer #2**

October 26, 2021

##### **Question 1**

With regards to M2 and M4, the RFP states: "Note: For the purposes of this criterion, public sector refers to a federal agency or department, a crown corporation, provincial, territorial and municipal or other local government clients."

Will the Senate consider experience in providing program design and development services that were performed for a public academic institution?

##### **Reply 1**

Yes, the Senate will consider experience in providing program design and development services performed for a public academic institution.

##### **Question 2**

Does the Senate consider "other local governments" to also include Modern Treaty/Self-Governing First Nation Governments?

##### **Reply 2**

Yes. Bidders can include their work with Self-Governing First Nation government as one of their examples and references.
