IMPORTANT NOTICE TO BIDDERS

TWO PHASE SELECTION PROCESS

This is the first phase (Phase-One) of a two-phase competition: the first phase will evaluate the qualifications of all bidders; second phase (Phase-Two) will invite the qualified bidders to provide a financial bid on the project based on the specifications and drawings. Upon award of contract in Phase-Two the pre-qualification list will be terminated, no additional contracts will be awarded.

LIST OF INTERESTED SUPPLIERS (LIS)

During the first phase of the solicitation all bidders/suppliers/sub-contractors are encouraged to self-identify their interest in a specific tender notice through the List of Interested Suppliers (LIS), which we have provided **step by step instruction below**. By registering on the LIS this enables suppliers and sub-contractors to identify who may be bidding on a project or for bidders to see suppliers and sub-contractors who may be interested in providing a quote. Once the tender closing date has passed, the LIS is closed but will still remain visible for reference. The LIS will no longer be visible when the tender notice is archived (i.e. the tender is cancelled or awarded).

Follow these steps to add your name to the List of Interested Suppliers

1. Go to the tender notice, that you are interested in becoming a supplier for, on www.Buyandsell.gc.ca.
2. Click on the tender notice of interest. Under "find out who is interested in this tender" click the link that is listed below "access the list of interested suppliers for this tender"
3. Click on the link under "Become an interested supplier".
4. Provide the following mandatory contact information in the form:
 - o Name
 - o Title
 - o Company Name
 - o Email (this will be verified as active)
5. Add the following voluntary contact information:
 - o Phone number
 - o Twitter handle
 - o Facebook profile
 - o LinkedIn address
6. Submit the completed online form.
7. A confirmation email will be sent immediately to your email address asking you to confirm your interest in joining the LIS. **Note:** You must **conserve this confirmation email** as it contains information that will allow you to remove your business contact information from an active LIS at a later date.

For further information, refer to: <https://buyandsell.gc.ca/procurement-data/tenders/get-started/join-a-list-of-interested-suppliers>

DEBRIEFING

The debriefing will include an outline of the strengths and weaknesses of the submission, referring to the evaluation criteria. The confidentiality of information relating to other submissions will be protected. The debriefing may be provided in writing, by telephone or in person.

LIST OF PRE-QUALIFIED BIDDERS
