Steveston Paramount East Complex
Electrical Reconstruction
Richmond, BC

IMPORTANT NOTICE

TWO PHASE SELECTION PROCESS

This is the first phase (Phase One) of a two-phase process: the first phase will evaluate the qualifications of all interested suppliers; the second phase (Phase Two) will invite the qualified suppliers to provide a financial bid on the project based on the specifications and drawings. The qualification list will expire within 60 days or upon award of a contract in Phase Two, whichever is earlier, and the prequalification list will not be used in any other solicitation.

DEBRIEFING:

Should a supplier desire a debriefing, the supplier should contact the person identified as the Contracting Authority below within 15 working days of the notification of the results of the qualification process. The confidentiality of information relating to other submissions will be protected. The debriefing may be provided in writing, by telephone or in person.

LIST OF QUALIFIED SUPPLIERS:

A list of qualified suppliers from Phase One will be released in Phase Two to all qualified suppliers at time of solicitation. Contract award notice of the successful bidder of Phase Two will be posted on buyandsell.gc.ca

INSTRUCTIONS TO SUPPLIERS

1. TWO PHASE SELECTION PROCESS

Suppliers responding to this selection process are requested to submit in two phases. Phase One qualification covers only the qualifications and experience of the supplier. Following the evaluation of the submissions, suppliers will be advised of their qualification result and the status of the Phase Two tender. Phase Two suppliers will be provided an Invitation to Tender (ITT) for the financial evaluation in relation to the specifications and drawings.

Documents may be submitted in either official language of Canada.

2. ENQUIRIES:

All enquiries are to be submitted to the Contracting Authority:

Name: Brandie Klyne

Telephone: 778-772-9426

Email: brandie.klyne@pwgsc.gc.ca

Enquiries are to be made in writing and should be received no less than seven (7) working days prior to the closing date to allow sufficient time to respond.

3. SUBMISSION OF BID

1. Electronic Bid Submission by CPC Connect Service

- a. Bids must be submitted by using the Canada Post Corporation's (CPC) Connect service provided by. Faxed and hard copy bids (submitted in person or via mail/courier) will not be accepted for the subject bid solicitation.
- b. The only acceptable email address to use with CPC Connect for responses to bid solicitations issued by PWGSC is:

TPSGC.RPReceptiondessoumissions-PRBidReceiving.PWGSC@tpsgc-pwgsc.gc.ca

Note: Bids emailed directly to this email address will be rejected and deemed non-compliant. This email address is to be used to open a CPC Connect conversation, as detailed in c., or to send proposals through a CPC Connect message if the Bidder is using its own licensing agreement for CPC Connect.

- c. To submit a bid using CPC Connect service, the Bidder must either:
 - i. send directly its bid only to the specified PWGSC Bid Receiving Unit, using its own licensing agreement for CPC Connect; or
 - ii. send as early as possible, and in any case, at least six business days prior to the solicitation closing date and time, (in order to ensure a response), an email that includes the bid solicitation number to the specified PWGSC Bid Receiving Unit requesting to open a CPC Connect conversation. Requests to open a CPC Connect conversation received after that time may not be answered.
- d. If the Bidder sends an email requesting CPC Connect service to the specified Bid Receiving Unit in the bid solicitation, an officer of the Bid Receiving Unit will then initiate a CPC Connect

conversation. The CPC Connect conversation will create an email notification from Canada Post Corporation prompting the Bidder to access and action the message within the conversation. The Bidder will then be able to transmit its bid afterward at any time prior to the solicitation closing date and time.

- e. If the Bidder is using its own licensing agreement to send its bid, the Bidder must keep the CPC Connect conversation open until at least thirty (30) business days after the solicitation closing date and time.
- f. The bid solicitation number should be identified in the CPC Connect message field of all electronic transfers.
- g. It should be noted that the use of CPC Connect service requires a Canadian mailing address. Should a bidder not have a Canadian mailing address, they may use the Bid Receiving Unit address specified in the solicitation in order to register for the CPC Connect service.
- h. For bids transmitted by CPC Connect service, Canada will not be responsible for any failure attributable to the transmission or receipt of the bid including, but not limited to, the following:
 - i. receipt of a garbled, corrupted or incomplete bid;
 - ii. availability or condition of the CPC Connect service;
 - iii. incompatibility between the sending and receiving equipment;
 - iv. delay in transmission or receipt of the bid;
 - v. failure of the Bidder to properly identify the bid;
 - vi. illegibility of the bid;
 - vii. security of bid data; or,
 - viii. inability to create an electronic conversation through the CPC Connect service.
- i. The Bid Receiving Unit will send an acknowledgement of the receipt of bid document(s) via the CPC Connect conversation, regardless of whether the conversation was initiated by the supplier using its own license or the Bid Receiving Unit. This acknowledgement will confirm only the receipt of bid document(s) and will not confirm if the attachments may be opened nor if the content is readable.
- j. Bidders must ensure that they are using the correct email address for the Bid Receiving Unit when initiating a conversation in CPC Connect or communicating with the Bid Receiving Unit and should not rely on the accuracy of copying and pasting the email address into the CPC Connect system.
- k. A bid transmitted by CPC Connect service constitutes the formal bid of the Bidder.

6. JOINT VENTURES

1. A joint venture is an association of two or more parties who combine their money, property, knowledge, expertise or other resources in a single joint business enterprise, sometimes referred as a consortium, to bid together on a requirement. Bidders who bid as a joint venture must indicate clearly that it is a joint venture and provide the following information:
 - a. the name of each member of the joint venture;
 - b. the Procurement Business Number of each member of the joint venture, if applicable;
 - c. the name of the representative of the joint venture, i.e. the member chosen by the other members to act on their behalf, if applicable;
 - d. the name of the joint venture, if applicable.
2. If the information is not clearly provided in the bid, the Bidder must provide the information on request from the Contracting Authority.
3. The bid and any resulting contract must be signed by all the members of the joint venture unless one member has been appointed to act on behalf of all members of the joint venture. The Contracting Authority may, at any time, require each member of the joint venture to confirm that the representative has been appointed with full authority to act as its representative for the purposes of the bid solicitation and any resulting contract. If a contract is awarded to a joint venture, all members of the joint venture will be jointly and severally or solidarily liable for the performance of any resulting contract.

7. LIMITATION OF SUBMISSIONS

1. A Bidder may not submit more than one bid. This limitation also applies to the persons or entities in the case of a joint venture. If more than one bid is received from a Bidder (or, in the case of a joint venture, from the persons or entities), all such bids shall be rejected and no further consideration shall be given.

2. A joint venture is defined as an association of two or more parties which combine their money, property, knowledge, skills, time or other resources in a joint business enterprise agreeing to share the profits and the losses and each having some degree of control over the enterprise.
3. An arrangement whereby Canada contracts directly with a Contractor who may retain subcontractors to perform portions of the services is not a joint venture arrangement. A Subcontractor may, therefore, be proposed as part of the bidder team by more than one Bidder. The Bidder warrants that it has written permission from such Subcontractors to propose their services in relation to the services to be performed.
4. Notwithstanding paragraph 3. above, in order to avoid any conflict of interest, or any perception of conflict of interest, a Bidder shall not include in its submission another Bidder as a member of its team, as a Subcontractor.
5. Any joint venture entered into for the provision of professional services or other services must be in full compliance with the requirements of any provincial or territorial law pertaining thereto in the Province or Territory in which the project is located.

PHASE ONE QUALIFICATION FORM

PROJECT DESCRIPTION:

Small Craft Harbours (SCH) requires the replacement of the existing 480V power distribution at Steveston Paramount Complex East with a new permanent fully rated normal power distribution system at 120/208/347/600V, 3-phase, 4-wire. SCH Paramount is located in south west of Richmond at 12740 Trites Road, Richmond, BC, on Federal Crown land.

General work to be performed:

- The provision and installation of a new low voltage electrical distribution system
- New electrical distribution system equipped with new Digital Metering Systems (DMS), CT/PT cabinets, enclosures, connection and miscellaneous for a fully functional smart multi-point metering system.
- Underground electrical distribution system installation
- Provision and installation of new grounding rods, grounding and bonding of all new equipment in accordance with the Canadian Electrical Code.
- Coordination and field verification of other existing electrical rooms, electrical equipment, and electrical details.
- Demolition and removal of redundant and expired electrical equipment and feeder connections
- Provision of concrete housekeeping pads for new transformer
- Provision and installation of new house panel 100A, 3Phase, 4W, 42CCT
- Provision and installation of new lighting, lighting controls, heaters, data outlets, receptacles, and miscellaneous devices within new electrical room
- Provision of shop drawings for all new equipment
- Arc flash Study test report and fuse coordination test report.
- Provision of all required testing, commissioning and training services.

CONDITIONS TO QUALIFY:

At Phase One closing, the supplier must:

- a) comply with the following Mandatory Requirements

Mandatory Requirements:

- M1 – M4

For a bid to be considered compliant a bidder must fill out the "SUPPLIER'S CONTACT INFORMATION" section on page 4 of this document and answer yes or no to the questions in the M1-M4 mandatory requirements table below. Responding "no" to any of the mandatory requirements below will render your bid non-compliant and no further consideration will be given to the bid.

BASIS OF QUALIFICATION:

A bid must comply with the mandatory requirements to be declared responsive in Phase One.

#	Mandatory Requirements	MET (Yes/No)
M1	Has completed (management and execution) of at least five (5) High voltage substation/power distribution projects of similar scope within the past 5 years	
#	Mandatory Requirements	MET (Yes/No)
M2	Has at least 10 years' experience in demolition of electrical equipment and feeder connections in accordance with Canadian Standard Association and WorkSafe BC.	
#	Mandatory Requirements	MET (Yes/No)
M3	Has acted as a Prime or General Contractor for electrical distribution work for value of minimum \$500,000 CAD within the past 3 years.	
#	Mandatory Requirements	MET (Yes/No)
M4	Has organization health and safety plan and implements site specific safety work procedure for all construction projects according to CSA Standards and WorkSafe BC Safety Regulation.
