GI09 of R2710T is replaced by the following:

1. The Bid and Acceptance Form, duly completed, and the bid security must be attached to the bid sent by the bidder as per SI06.4 below. The bid must be received by the bid receiving unit on or before the date and time set for bid solicitation closing.
2. Unless otherwise specified in the Special Instructions to Bidders

4.1 Bid submission using the **CPC Connect service**:

4.1.1 To submit a bid using CPC Connect service, the Bidder must:

- a. send as early as possible, and in any case, at least six business days prior to the bid solicitation closing date and time, in order to ensure a response, an email that includes the bid solicitation number to the specified Bid Receiving Unit designated in subparagraph 4.1.9 requesting to open an CPC Connect conversation. Requests to open an CPC Connect conversation received after that time may not be answered;

OR

- b. send directly its bid only to the PWGSC Bid Receiving Unit designated in subparagraph 4.1.9, using its own licensing agreement for CPC Connect provided by Canada Post Corporation.

- a. If the Bidder sends an email requesting CPC Connect service to the designated Bid Receiving Unit in the bid solicitation of subparagraph 4.1.9, an officer of the Bid Receiving Unit will then initiate an CPC Connect conversation. The Bidder will then be able to transmit its bid afterward at any time prior to the solicitation closing date and time.
- b. If the Bidder is using its own licensing agreement to send its bid, the Bidder must keep the CPC Connect conversation open until at least thirty (30) business days after the solicitation closing date and time.

This acknowledgement will confirm only the receipt of bid document(s) and will not confirm if the attachments may be opened nor if the content is readable.

4.1.7 Bidders must ensure that they are using the correct email address for the Bid Receiving Unit when initiating a conversation in CPC Connect or communicating with the Bid Receiving Unit and should not rely on the accuracy of copying and pasting the email address into the CPC Connect system.

4.1.8 A bid transmitted by CPC Connect service constitutes the formal bid of the Bidder.

4.1.9 The only acceptable email address to use with CPC Connect for responses to bid solicitations issued by PWGSC is:
TPSGC.RQReceptionSoumissions-QRSupplyTendersReception.PWGSC@tpsgc-pwgsc.gc.ca
